

Online application for issuance of Degree and transcript of Rabindranath Tagore University, M.P. (Revised Link)

Dear Sir/Madam,

As you know the university started the online link for the issuance of degree and transcripts, but due to some technical problem on it, the old link is not working properly, after this we have made some changes on the website.

Now the University has introduced a new online link for "Issuance of Degree/ Transcript + W.E.S" of Rabindranath Tagore University, M.P. The link <https://rntu.ac.in/onlineforms> is available on Rabindranath Tagore university website www.rntu.ac.in Through this the link students can apply for the Degree/Transcript with W.E.S requisition/application directly and pay the fees through any online mode. There is no need to submit the hard copy of the filled form and the documents at the University.

Please note that Instead of sending a hard copy of the documents; please try to apply online through the website (Physically sent applications will not be accepted).

[Read the instructions before filling the Degree/ Transcript form.](#)
